What? CHEZ WAM LAUNCHES IT'S BRUNCH

Inspired by the playful nature of the French language, "Chez What" translates to "At Yours" in English, offering a clever twist on the name "Chez Wam", which means "At Mine." This wordplay perfectly captures the brunch's casual, welcoming spirit - making guests feel right at a friend's home as they indulge in a culinary journey like no other.

Launching this November, the Chez What Brunch will offer a sharing-style menu created by Chef Hadrien Villedieu. Featuring a fusion of seasonal ingredients and global flavours, the menu is designed to be enjoyed family-style, encouraging guests to come together over vibrant and inventive dishes.

Guests can also expect an exciting array of beverage options, including interactive drink stations. The highlight? A "Do It Your Bloody Self" Bloody Mary station, where brunch-goers can unleash their creativity and craft their own signature versions of the classic cocktail.
